

Heal Me

Lady Gaga

Treat me like your patient
Just don't keep me waiting
For it'll all just be wasted
In the crowd [?]
I need you to inspire me
But I can't inspire myself
I need you to confide in me
[?] someone else

Lay me down, lay me down, love
Lay me down, touch this spirit, oh
Lay me down, lay me down, love
Lay me down

Heal me
Don't want else to come around
Heal me
Don't speak before it's too late
Don't you see me?
Takin' up world on myself
Won't you heal me
