

Joanne

Lady Gaga

Take My Hand
Stay, Joanne
Heaven's not
Ready for you

Every part of my
Aching heart
Needs you more
Than the angels do

Girl, where do you think you're going?
Where do you think you're going, going, girl?
Girl, where do you think you're going?
Where do you think you're going, going, girl?

If you could
I know that you'd stay
We both know
Things don't work that way

I promised I
Wouldn't say goodbye
So I grin
And my voice gets thin

Girl, where do you think you're going?
Where do you think you're going, going, girl?
Girl, where do you think you're going?
Where do you think you're going, going, girl?

Honestly I know where you're going
And baby you're just moving on

And I'll still love you even if I can't
See you anymore
Can't wait to see you soar

Girl, where do you think you're going?
Where do you think you're going, going, girl?
Girl, where do you think you're going?
Where do you think you're going, going, girl?
