

# Shallow

Lady Gaga

**Em**                    **G**                    **C**                    **G**                    **D**  
Tell me somethin', girl    Are you happy in this modern world?  
**Em**                    **G**                    **C**                    **G**                    **D**  
Or do you need more? Is there somethin' else you're searchin' for?

**Em**    **D**    **G**    **C**                    **D**  
I'm falling    In all the good times I find myself  
**Em**    **G**    **C**                    **D**  
Longin' for change And in the bad times I fear myself

Tell me something, boy  
Aren't you tired tryin' to fill that void?  
Or do you need more?  
Ain't it hard keeping it so hardcore?

I'm falling  
In all the good times I find myself  
Longin' for change  
And in the bad times I fear myself

**Am**                    **D**  
I'm off the deep end, watch as I dive in  
**G**                    **D**                    **Em**  
I'll never meet the ground  
**Am**                    **D**  
Crash through the surface, where they can't hurt us  
**G**                    **D**                    **Em**  
We're far from the shallow now

In the sha-ha-sha-hallow  
In the shall-shall-shall-shallow  
In the sha-ha-sha-hallow  
We're far from the shallow now

Bridge: **Bm**, **D** **A** **Em** **Bm** **D** **A**

Whoa, oh  
Whoa, oh, oh  
Whoa, oh

**Am**                    **D**  
I'm off the deep end, watch as I dive in  
**G**                    **D**                    **Em**  
I'll never meet the ground  
**Am**                    **D**  
Crash through the surface, where they can't hurt us  
**G**                    **D**                    **Em**  
We're far from the shallow now

**Am**                    **D**                    **G**                    **D**                    **Em**  
In the sha-ha-sha-hallow    In the shall-shall-shall-shallow  
**Am**                    **D**                    **G**                    **D**                    **Em**  
In the sha-ha-sha-hallow    We're far from the shallow now
