

## Bicycle

Lady Lamb

Please, owner of this bicycle  
See, I would like to make an offer  
The person that I love would  
Really love your bicycle  
Owner of this bicycle  
I would like to make an offer  
See, the person that I love  
Would really love your bicycle  
And I would do anything  
I would do anything  
To make it her bicycle  
To make it her bicycle

Feel my pulse  
Her love I can barely dare to know  
Feel my pulse  
Her love I can barely bear to know

And for all my hours  
For all my days  
My blood will run red  
My blood will run blue  
For all my hours  
For all my days  
My blood will run apple red  
My blood will run navy blue  
For all my hours  
For all my days  
My blood will run apple  
My blood will run navy  
For you, for you  
I said for all my hours  
For all my days  
My blood will run red  
My blood will run blue  
For all my hours  
For all my days  
My blood will run apple  
My blood will run navy  
For all my hours  
For all my days  
My blood will run sweet  
My blood will run sweetly

So owner of this bicycle  
I'd like to make an offer  
See, the person that I love  
Would really love your bicycle...
