

Ivy

Lady Lamb

Ivy, Ivy
Ivy, Ivy

You couldn't find the one
Leaned in my ear, asked me if I could
At the time, I was stuck
Now I give a reference

You were tryin' to toe
That secret line
I should have known, but I didn't realize
That I had
Some little upper hand
That I won't ever have again

Ivy, Ivy

I think you were hopin'
I could decode
The meaning of
Your touch
Well, it's what I'd wanted
Why was I oblivious?
Turns out playin' it cool
It don't serve us at all

I wish I'd had my shit together
Throwin' you up against the wall
I understand you
Now that it's too late
How all the lights were on you
But you were playin' to me

Oooh, oooh
Oooh, oooh
Oooh, oooh
Oooh, oooh
Oooh, oooh

I still think
Of you
It haunts me to know
All I had to do
Was ask you not to go
Stay here with me
Ivy
