Winnie Jane

Lady Lamb

Winnie Jane
Pourin' salt on slugs
In the rain
With a whooping cough
Winnie Jane, oh Winnie Jane
And on your coat:
Is it jam or blood?
Jam or blood

Silence is the only sound
With which to describe the height of how
My heart does swoon
At the thought of you

Madrigal
In a wedding gown
Rowboat red & a paper crown
Madrigal oh Madrigal
And on the lake:
Is it a swan or crane?
Swan or crane

Silence is the only sound
With which to describe the height of how
My heart does swoon at the thought of you

Adelaide
Bee stings and stungs
Marmalade on the ladder rung
Adelaide oh Adelaide
And in your bed:
Is it lust or love?
Lust or love

Clementine
In the river drowned
Red with wine
In a baptist town
Clementine oh Clementine
For Heaven's Sake:
Were you lost or found?
Lost or found

Silence is the only sound
Silence is the only sound
