

I'm not the one  
But I'm the one  
All round the globe they know I'm a don  
I didn't even need to reply  
I was just bored I wanted some fun  
I had to do this mainly for brum  
Won't take an L for a gyal are you dumb  
You bought it all on yourself you're a punk  
Sending for me nah you couldn't of done  
You don't want smoke I keep it blunt  
Look  
Issa publicity stunt  
Tryna make it seem like it's cus of my video  
When it's been 1 year and 9 months  
Huh?  
Something don't add up  
Tryna use my name for your new stuff  
Wanna play mind games gyal are you nuts  
What are you tapped blood are you skunked?!  
You don't want that you don't want none  
Wicked and bad spin em and done  
Hit em with fax leaving em stunned  
Punchlines bang giving em tumps  
Just had to hit her with the Birthday beats  
Going off and it's mad like the wordplay be  
I got drip like a mermaid scene  
Unnuh face is dry nuh look at her grey knees  
Kill a girl on her birthday  
Blow out the clout with the work rate  
Throw your cake on the floor now it's dirty  
Surprise, now look at her face  
Shook gyal you're an Earthquake  
Can't see me hat low like nurse pay  
This yat shouldn't of spoke in the first place  
Thirsty for controversy  
I really must've hit a nerve  
Why would anybody wait 2 years?  
Aww, you sound hurt  
You should've done a likkle bit of research  
You was a meme when I heard bout you  
Weren't on the scene when I heard bout you  
Make her jump like a dance get served like food  
It'll get on top like birds eye view  
You ain't a doll baby doll you a target  
Wanna be Nicki there's only one Barbie  
Thin line between copy and homage  
Say it with your chest if ya bra fits  
Trash garbage  
Sending for who me? A wa di rartid  
Flows nobody can cross it  
Your closures like Moses and the Red Sea departed  
Build a bridge and then get over it  
Run ya gums you need to hold ya lips  
Close ya mouth I'll spin her out her wig  
You better make sure you're closure fits  
Cus I'll knock that back  
Pop that strap that's attached to the cap

Unlatch  
Snatch  
Snatching wigs from day facts  
Now I got two bodies in a bag  
Bout Badum Ba dum dum dum that's my ting are you dumb don't remix that  
Fake ting I am the realist gyal  
Borrow clothes and then keep it gyal  
Don't tell me how many speeches I should do when you ain't even seeing this  
gyal  
Last one was about 3 years ago so that was a reach come reach this L  
If I stopped at number 2  
I'd be in the same place as you  
Number 4 got my mom a whole house  
And my sister a car and me a yard too  
I don't wanna hear no talk on my speeches  
When ya done a Queen Speech in ur GRM Daily  
That's just another remix of my ting  
Posty knows deep down don't play me  
It's cool tho  
Bare man copied the blueprint kudos  
Bare long nights recording in studio  
20 years in still relevant  
5 years time they'll be like who are you though  
Respectfully  
Who though  
You can have my old style cah I got a new flow  
This ones mad it's giving them goosebumps  
I'll make their hair stand up just like Coolio  
Ivorian cough medicine with clout  
Been doing this since you was like 12  
With ya push up bra and ya push up mouth  
Free handout I can see ya need help  
Come fix my crown yeah lift it up  
I could've dropped this in October  
But I didn't wanna kill in her black history month  
Look take the banter it's for fun  
April fools Ashton Kutcher you got punked  
Made the rules ask ya mother who's the mom  
Make my food chef me up some good salmon  
Come on  
Grinding I put the groundwork in  
Whilst she'll be in the lost and found twerking  
Likkle Copy cat gyal but da clown version  
You'll get dragged like your house curtains  
Draw out  
Don't bodda get brave  
Old school like fubu and an N Gage  
Who you getting rude too better behave  
Don't make me do u like I did  
I've been ripping dolls heads off from a young age  
Was a tomboy WWF days  
Played football sitting and watching the FA  
Say nada but they coming with essays  
I'm a monster  
I'm beast you was right  
I'm a dog off the lesh  
And I can't wait to feast  
Can't hear ya control alt and delete  
Come harder I'm laughing it's weak  
I can't even breathe  
Ha ha ha on the beat  
I'm sorry I mean  
Not sorry

I need to remind you all why I'm top I'm elite  
Levels above in scene  
LESH
