

Fake Flex

Lady Leshurr

Fake flex (Woo! Lil' Leezy)
Ay, Lesh (Woo!)

I woke up as a BEM winner (Jeez!)
Queen of England sees me, it's like I looked in the mirror (Mad ting)
I'm old school, like a BBM pinger (B-brr brr)
And I make notes you can call me an EDM singer (Ahh)
I can't stand these negative comments either, they're bitter (Trust)
Talking like I fell off
TV shows just make the name bigger (Facts)
I'm the queen of shade summer
And you're the Queen of Shadeborough
We ain't built the same brudda
And you don't need to say nada
I can see it in your eyes that you're vex, innit?
I just hired out a mansion just so I could flex in it (Fake flex)
Fake ones I've detected it (Yeah)
These gyal disrespected it (No)
Move up social distancing (Tss tss)
Disinfected it (Pow!)
That's my sis'
If I do drill affi spit like this
That's all you lot want these days
But I bet you'll still say I make music for kids (Boring!)
Black men gotta do better than this
That boy there ain't innocent stop protecting him (Stop that)
I've lost respect for him
He's a brother but he's not my next of kin (Trust me)
He don't even have to know me I'm a black woman and I've got to check a king (Chess)
We got the equity
One million contract rejected it
My bars hurt and they're killing those victims
You've turned into a video vixen
Helped too many gyal sick of 'em switching
Making moves P Diddy I'm twitching
Oh my days what do we have here?
Them gyal there they cannot come near
Birmingham Queen that's who they all fear
They need a handout I'm like 'ere
Oh my days what do we have here?
Them gyal there they cannot come near
Birmingham Queen that's who they all fear
If they want bars then I got more for ya
