

# Lockdown

Lady Leshurr

Got the world on lockdown  
Got the whole city on lockdown  
Got the world on lockdown  
Got the whole city on lockdown  
Yo

Got the world on lockdown  
Got the whole city on lockdown  
Nobody knows what's what now  
Everybody's inside, nobody comes out  
Got the world on lockdown  
Got the whole city on lockdown  
Nobody knows what's what now  
Everybody's inside, nobody comes out

Come with the bars on lockdown  
Now my bredrin can't even pop round  
Can't go into to the car with the top down  
So I couldn't care less for your bust down  
Every ting's blessed like a nun's house  
Make moves then dressed in my one gown  
[?] from sunrise to sundown  
Can't wait for it to be done now  
Oh lawd have mercy  
I've been up from 8:30  
No sleeping pattern from early  
Fasting but I'm so thirsty  
So I hit the beat so violently  
I talk the ting can't silence me  
BoJo the Bozo, why is he our P.M. W-I-M-P?  
They got us locked in, locked down  
They won't let us out  
Time's run out on the clock now  
I'm too scared to go shop now  
They got us locked in, locked down  
They won't let us out  
Time's run out on the clock now

Got the world on lockdown  
Got the whole city on lockdown  
Nobody knows what's what now  
Everybody's inside, nobody comes out  
Got the world on lockdown  
Got the whole city on lockdown  
Nobody knows what's what now  
Everybody's inside, nobody comes out

They got us locked in, locked on, locked down it's peak  
Now I'm feeling like I'm Akon in 2003 (Locked up)  
Yo trust me dawg, yeah I can do many styles with the P  
Already told you babe, but if I showed you baby, you'd be prouder than me  
Aye look, I'm tired and I'm sick of it  
Time to get rid of this  
Virus and kill it quick  
Fire all these idiots  
The world's is in misery  
Too much negativity

The government's killing me  
Feel it in my kidneys  
Start with the evidence  
Can't see the benefits  
BJ sucks at his job, I'm ahead of it  
His little speech contradicted everything  
That's why I prefer to just stay in on lockdown

They won't let me out  
They won't let me out  
Lockdown  
They won't let me out  
They won't let me out  
Lockdown  
They won't let us out  
They won't let us out  
Lockdown  
They won't let us out  
Bozo, don't let us down
