Ms Rona

Lady Leshurr

We hate Corona, we hate Corona [x4]

We, hate Corona
Time to be over
The walls upside down
It's like a roller-coaster
I should be in Minnesota
Sippin' a mini soda
If I bump into Ms Rona
Then I act like I don't know her
Who is she?
Rona everywhere you look
All up on your
News feed
When it hit, it come with no kick, no
Bruce Lee
It don't care if you're ready or not
Call her, Fugees
In a fortnight, leave ya two weeks

But, no virus in my section
Only viral is an exception
You got no protection
What is your intention
Corona's just starting like a freshman
This is not the destination for the nation
How we gonna ever raise the elevation
I was seeing next debates all on my Facebook
Mandem getting stressed cos they can't get a shape-up

Too bad, everybody's going so crazy it's
Too mad, Houseparty on the cam
Baby take my Zoom mad
I ain't seen my family for months
Why'd they do that?
My girl, move back
News flash
6-feet away, don't test me today
Mask, can't see my face
Now I can't breathe my space
Not much I need to say
All got bills to pay
We gotta make it
If there's a will, there is a way

We hate Corona [x8]

Ms Rona, Ms Rona
Better pack your bags, cause it's over
Ms Rona, Ms Rona
Better pack your bags cause it's over

Oh, hey Corona
Bout to slay Corona
And [?]
Turn MJ and a Shamona
Too bad

Make your break, a Toblerona
This gon' end
Cause I've got faith, [?]
I don't want to compare
But you've gotta come here
Now you're all over the place
Like Donald Trump's hair
I'm the one who [?] fair
When I'm on a [?]
Baby you don't really want it
I could promise, I swear

Me no, Me no wanna see no doctor
Yes Ms Rona, you deserve an Oscar
Acting up, I'd give her a [?] up
Now it's mad because
We gotta be vaccined up

Come on then, square up Missy
What you wanna do?
Can't touch me, I'm Brandy
I'm still up in my room
Take a shot
Come with the bars
And this ones on leash
You wouldn't clash with a girl like me?
We gon' see

We hate Corona [x8]

Ms Rona, Ms Rona
Better pack your bags, cause it's over
Ms Rona, Ms Rona
Better pack your bags cause it's over
