Opposites attract (Attract)
I'm just tryna see if we can match (Match)
Tell me is it good, is it bad? (Bad)
Where the stars align is where I wanna go (Wanna go)
So tell me what's your zodiac? (Yeah)

What's your zodiac sign? (Sign)
You a Capricorn, so you a workaholic, can I get a moment of your time?
Oh Aquarius, you never serious, new things make you curious
Or you a pisces, so you type deep, and you think more than you might speak
Who fiesty? Aries, scariest, you love to keep yo' power
Seem the meanest, you a evil genius, more often sweet than sour
Taurus, you so stubborn (Stubborn)
You swear you don't care about nothin' (Yeah)
But you spoil me in your loyalty, so I never fear about trustin'
Oh cousin, Gemini, huh?
You the one they never could identify, huh?
You plus you plus you plus you, well shit, which one is a friend of mine?
I just know that you just cool as shit, but intuitive and that's serious (Serious)
You don't like who you don't like, and you stand on that shit, period (On period)
You a Cancer like me (Like me)
So sweet (Uh)
Give yourself like a million kisses, don't nobody love that deep, sheesh
Leo, oh, we know you, we know what you go through
The most confident, but I am not convinced that you don't need someone to hold you
Oh Virgo, my darlin' (Darlin')
Where do I get started? (Started)
Perfection, baby, is a movin' target
Keep shootin' at it, it gets harder (Woo)
Oh Father, not a Libra, breathe deeper
It's no debatin', you the most creative, but unbalanced as Pisa (Aye)
I see you Scorpio (Quiet)
Silent (Quiet)
Lifestyle on public, but yo' real life is on private
Oh big Sag, you a big vibe, even when sad, got a big smile
Above all, at all times, I love y'all, that's all signs

Opposites attract (Attract)
I'm just tryna see if we can match (Match)
Tell me is it good, is it bad? (Bad)
Where the stars align is where I wanna go (Wanna go)
So tell me what's your zodiac? (Yeah)
I'm just tryna see if they a match
Tell me is it good, is it bad? (Bad)
Where the stars align is where I wanna go (Wanna go)
So tell me what's your zodiac? (Yeah)

How can I love you in a way that feels like love to you?
What are your love languages?
