

# Do It Again

Lady Wray

If you wanna pack your bags, go on ahead  
Ain't no use in being friends if you can't hear what I'm saying to you

One of us needs to say it  
Stop dragging it in the dirt now  
One of us gonna get hurt now  
So hard when you know it  
The love has left the building  
And we can't talk about it

We rolled the dice  
And we lost in the end  
Though our luck has run out, yeah  
I would do it again

You know all the good and bad things that I've done, yeah  
You're the best I've ever had  
You pull me through  
Baby, I rely on you  
The two of us, the two of us need to say it  
Stop dragging it in the dirt now  
One of us gonna get hurt now  
So hard when you know it  
The love has left the building  
And we can't talk about it

We rolled the dice  
And we lost in the end  
Though our luck has run out, yeah  
I would do it again

Before I go, oh  
Ooh, oh  
Yeah, and again and again now  
And again and again now

We rolled the dice, yeah  
And we lost in the end  
Though our luck has run out  
I would do it again

Baby, I would do it again  
Do it again  
Oh, do it again  
Oh, and again and again now  
And again and again now  
Ooh, do it again
