

## Fighting

Lady Wray

Should I come out with my hands up and my mouth shut?  
I don't think so cause I run my own show  
I had enough, my price went up  
If you won't call better get more dough  
You're out of luck, your time is up  
I got a new dude who will make their own rules

What am I fighting for?  
What am I fighting for?  
There's no reason for me hangin' on anymore

No more cryin', I got the muscle  
I know for sure cause the streets said so  
They ready, it's gonna be [?]  
They say I'm so hard that it makes them nod  
The wankstas must be crazy  
You tryna play me when I pull your card

What am I fighting for?  
What am I fighting for?  
There's no reason for me hangin' on anymore
