

Guilty

Lady Wray

I feel empty
My cup to cheers is alone
You're not with me (Come on home, come on home)
When will you be coming home?

I don't wanna sleep in my bed (Sleep in my bed, sleep in my bed
)
I don't wanna feel free to roam (Feel free to roam, feel free to
roam)
I won't be comfortable
Because I know that you're gone (I'm coming home, I'm coming home)

And don't you make me feel guilty
And suffer the pain (That's the sound of the chain)
Don't you make me feel guilty
I'll love you the same (That's the sound of the chain)

You're incarcerated
While you're there, hold on to your mind
With a little bit of faith and patience (Have a little faith, have a little faith)
You'll be back in no time (You'll be back in no time)

I don't wanna sleep in my bed (Sleep in my bed, sleep in my bed
)
I don't wanna feel free to roam (Feel free to roam, feel free to
roam)
I won't be comfortable
Because I know that you're gone (I'm coming home, I'm coming home)

And don't you make me feel guilty
And suffer the pain (That's the sound of the chain)
Don't you know that you're with me
Every single day? (That's the sound of the chain)

Don't you make me feel guilty
And suffer the pain (That's the sound of the chain)
Don't you make me feel guilty
I'll love you the same (That's the sound of the chain)
Don't you make me feel guilty
And suffer the pain (That's the sound of the chain)
Don't you know that you're with me
Every single day? (That's the sound of the chain)
Oh yeah
