

# Make It Hot

Lady Wray

But uh anyway  
You could catch me any day  
Sipping Hennessey  
And my peeps get plenty way  
But anyways, to see that I hold this dough  
Cats fake it, I made it  
I told you so  
Mocha Latte, kid  
We no play  
Stress-free, sexy in Montego Bay  
It's a pity that y'all look like idiots  
Yo boo, let me know when I should rip this cat

My man, he don't call me anymore  
We don't even kiss  
Am I his fool?  
What must I do to keep him loving me?  
All this love I give?  
That ain't cool

I got what you want (got what you want)  
I got what you need (I got what you need)  
Can I get another shot?  
This time I'ma make it hot  
I got what you want (got what you want)  
I got what you need (I got what you need)  
Can I get another shot?  
This time I'ma make it hot

Call my man at the crib  
He turned off his phone  
Said to call him back  
Why? Silly me  
Why didn't I suspect he was making love  
To someone else?  
Boy, you killing me

I got what you want (got what you want)  
I got what you need (I got what you need)  
Can I get another shot?  
This time I'ma make it hot  
I got what you want (got what you want)  
I got what you need (I got what you need)  
Can I get another shot?  
This time I'ma make it hot

Oh yeah  
Oh yeah  
Oh yeah  
Oh yeah

I got what you want  
I got what you need  
Can I get another shot?  
This time I'ma make it hot  
I got what you want  
I got what you need

Can I get another shot?  
This time I'ma make it hot

I'm sitting on the side of the curb  
With a pocket of herb  
I don't know if y'all heard I'm high as a bird  
I can fly like Kelly, I glide like skates  
Me with no Timbaland is like Puff with no Mase  
Wait, hold up, wait a minute, what you say?  
Back it up, give me space, who that? Nicole Wray  
By the way, DJ, better play all day  
Make the whole world say, "Damn, they sick of me!"

Yo yo yo  
Yeah this been kinda junk  
That be making everybody wanna bop their heads  
Haters, lovers, whatever  
Nicole Wray, Timbaland, Mag-a-noo, Aaliyah  
Ginuwine, Missy... ha-ha, Playa

I got what you want  
I got what you need  
Can I get another shot?  
This time I'ma make it hot  
I got what you want  
I got what you need  
Can I get another shot?  
This time I'ma make it hot
