

# Regrets

Lady Wray

I don't even know it all  
Sometimes I want it all  
Sometimes I go too hard  
Suddenly I fall apart  
Don't even sleep at all  
Wondering if it's true or false  
Head is spinning  
Wish I didn't dive in, but I did

I don't even know it all  
I'm moving way too fast  
Catching up with the fire  
Knowing this thing ain't gonna last  
But I tried it all  
I learned how to take the loss and move on

This is rule number one  
Where I'm from  
Gotta learn to live with regrets  
I know you feel the pain  
Gotta keep your head up anyway  
Gotta learn to live with regrets

This is rule number one  
Where I'm from  
Gotta learn to live with regrets  
I know you feel the pain  
Gotta keep your head up anyway  
Gotta learn to live with regrets

I don't even know it all  
But I know in life we must feel pain  
The stress from the bills ain't paid  
Be hard to keep smiling much these days  
Now God please take it all away  
Cause I'm moving, can't be wasting time  
Head is spinning  
Wish I didn't dive in, but I did

I know I don't know it all  
Wish hurt would go away  
Don't wanna cry today  
I'll just walk away  
Til' I see a better day

This is rule number one  
Where I'm from  
Gotta learn to live with regrets  
I know you feel the pain  
Gotta keep your head up anyway  
Gotta learn to live with regrets

This is rule number one  
Where I'm from  
Gotta learn to live with regrets  
I know you feel the pain  
Gotta keep your head up anyway

Gotta learn to live with regrets

I found myself reminiscin', remember this one?  
When he was here, he was crazy nice with his, son  
I miss him, long as I'm livin' he's livin' through memories  
He's there to kill all my suicidal tendencies  
In Heaven lookin' over me, or in Hell keepin' it cozy  
I'm comin', life on these streets ain't what it's supposed to be  
Remember Newton, mutual friend? Well, me and him feudin'  
On your life I tried to talk to him  
But you know niggas, think they guns can stop four niggas  
Frontin' like they're Big Willie but really owe niggas  
Hoe niggas, this year I'll show niggas - think I'm slippin'?  
I'm about to send you a roommate, no bullshittin'  
But my hustle's goin' too well to hit him  
You was right, niggas want you to be miserable with them  
Anyway, I ain't tryin' to hear it, I think I'm touched  
This whole verse I been talkin' to your spirit a little too much

This is the number one rule for your set  
In order to survive, got to learn to live with regrets  
On the rise to the top many drop, don't forget  
In order to survive, got to learn to live with regrets  
This is the number one rule for your set  
In order to survive, got to learn to live with regrets  
If through our travels we get separated, never forget  
In order to survive, got to learn to live with regrets
