

This Love

Lady Wray

This love is gonna make go out and hurt somebody
This love is gonna have me behind bars

I got your picture hangin' on my wall
You make me wanna destroy them all
I just can't take it, I can't take it no more
This ain't love you giving me, it's over boy
This ain't me and I ain't gonna be yours
And now I [?] and catch your breeze

This love is gonna make go out and hurt somebody
This love is gonna have me behind bars

Hangin' out my clothes, is that you I see?
Giving out your car with some broad I ain't never seen
Your gonna give your boys, your boys some dab
While I'm staring at you closely
Putting shells in my 9
You don't even know what's about to happen to you
You should've [?] on that broad about all the shit I do

This love is gonna make go out and hurt somebody
This love is gonna have me behind bars

Had about all that I can take
Now I'm about to break
You are [?] to the rent office
Had about all that I can take
You're so hard to break
And you're tryna get me out of here

This love is gonna make go out and hurt somebody
This love is gonna have me behind bars

This love is gonna make go out and hurt somebody
This love is gonna have me behind bars
