Through It All

Lady Wray

Through it all, I can't complain, it feels so good (Ah, ah, ah, ah)
I don't know what I would do without you (Ooh, ooh, ooh, ooh-ooh)
Through it all, I can't complain, it feels so good (Ah, ah, ah, ah)
I don't know what I would do (Ooh-ooh-ooh)
What I would do (Ooh-ooh-ooh)
What I would do (Ooh-ooh-ooh)
Oh yeah

Even though we fuss and fight
We don't always get it right
We're not even perfect friends
I hate when people love pretend
Every night we kiss and hug

Oh, I'm so glad it's you
(Baby, will you love me still?) Oh, still
(Baby, will you love me still?) Oh, still
(Baby, will you love me still?) Oh, still, oh

Through it all, I can't complain, it feels so good (Ah, ah, ah, ah)
I don't know what I would do without you (Ooh, ooh, ooh, ooh-ooh)
Through it all, I can't complain, it feels so good (Ah, ah, ah, ah)
I don't know what I would do (Ooh-ooh-ooh)
What I would do (Ooh-ooh-ooh)
What I would do (Ooh-ooh-ooh)
Oh yeah

Can't believe we held on strong
At times, it even felt so wrong
Then we got a gust of wind
That kept pushing us right back in
Can't believe it still feels new

Oh, I'm so glad it's you
(Baby, will you love me still?) Still
(Baby, will you love me still?) Oh, still
(Baby, will you love me still?) Oh, still

Through it all, I can't complain, it feels so good (Ah, ah, ah, ah)
I don't know what I would do without you (Ooh, ooh, ooh, ooh-ooh)
Through it all, I can't complain, it feels so good (Ah, ah, ah, ah)
I don't know what I would do (Ooh-ooh-ooh)
What I would do (Ooh-ooh-ooh)
What I would do (Ooh-ooh-ooh)
Oh yeah

What I would do
What I would do
Oh yeah
Ooh
Ooh
Ooh
What I would do
Oh yeah
Oh yeah
Oh yeah
Oh yeah

Oh yeah
