

Walk Right Up

Lady Wray

Hello baby, how's my lovechild?
It's the ROC

We gon' walk right up, walk right up to the sun
I got so much love, so much love it's undone
We gon' walk right up, walk right up to the sun
I need so much love, so much love it's undone

See the apple don't fall too far from the tree
Here comes visions of my father and he's happy
He took me into his arms, his arms of love
