

Where I'm From

Lady Wray

Live in a shack with a train in the back, no car
Live in a shack with a train in the back, no car
People around here they look real funny, funny
People around here they ain't got no money, money
Where I'm from, where I'm from

Dogs they roam behind each other
Because they have no home, no home
Out of towners, they talk real fast
They really country but they bust they ass
Young guys on the corner pushin' real hard
Monday to Sunday, whether it's legal or illegal
Where I'm from, where I'm from

Hey, hey
Uh huh
Doo, doo, doo, doo, doo, doo
Where I'm from
Hey, hey, hey
Uh huh
Doo, doo, doo, doo, doo, doo
Hey, hey
Uh huh
Doo, doo, doo, doo, doo, doo

Live in a shack with a train in the back, no car
Live in a shack with a train in the back, no car
But we have a lot of love to share with each other
With each other

Some people hate when they ain't got nothin'
So you should understand
Cause when you get something
Make sure everyone knows it
People around here they look real funny, funny

Hey, hey
Uh huh
Doo, doo, doo, doo, doo, doo
Where I'm from
Hey, hey, hey
Uh huh
Doo, doo, doo, doo, doo, doo
Hey, hey
Uh huh
Doo, doo, doo, doo, doo, doo
