

All (I Want)

Lady Zamar

I want it all
All the cars
All The money
Be with stars
In Dubai on a yacht
Selling records own it all
In Amsterdam
I'm alright
With a body money can buy
Me and my friends we belong
To each other never fight

I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh

I want the house and the job
That I've always dreamed about
Go with my friends around the world
I want to ski and play with snow
See the lions and King Kong
Drive a G Wagon a drop top
See Marrakesh in Velore
Walk on the beach in July
Meet a sailor when I'm bored
Marry the person of my dreams
And make love all day long
Own a business
In Amsterdam
Getting high with no downs
Traveling here I go now
Be tourist out in Rome
Call on the deep
And hear the sound
Live life like it has just begun
No diseases I am I'm alright
All the diamonds
In this world
I want it all
I want it all

I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh

I want the clicks and the likes
Posting pictures every night

Of the things I'm all about
Every challenge every song
Posing here please do that
Make them do whatever I like
I wanna go where its at
A Kardashian kinda of life
Be Beyoncé's friend
I'll go do that
I only get to live once
So I'll do it right

Never afraid of a fight
Speak the truth however I like
No regrets don't do that
We gotta live for all life

Never afraid of a fight
Speak the truth however I like
No regrets don't do that
We gotta live for all life

I want it all ooh ooh
Ooh oh oh oh

I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh
I want it all ooh ooh
Ooh oh oh oh

I want it all
Lady Zamar
You feel me?
I want it all

Never afraid of a fight
Speak the truth however I like
No regrets don't do that
We gotta live for all life

Never afraid of a fight
Speak the truth however I like
No regrets don't do that
We gotta live for all life

Never afraid of a fight
Speak the truth however I like
No regrets don't do that
We gotta live for all life
