

# Collide

Lady Zamar

The truth is  
I'm high on love  
These feelings  
And I don't know what to do  
Do I hold my breath as I wait for you?  
Can I afford to compromise  
These feelings inside my mind?  
I feel my head rush as I think of you  
Then try to put myself to use  
Laughter and time don't always heal the wounds  
It's crazy it must be love

Should I hold on or pass  
Will you let me crash  
Should I hold on or pass  
Will you let me crash  
Should I hold on or pass  
Will you let me crash  
Should I hold on or pass  
(Will you let me crash

You are a citizen  
A resident, a resident in my heart  
You are a citizen  
A resident, a resident in my heart  
You are a citizen  
A resident, a resident in my heart  
You are a citizen  
A resident, a resident in my heart

Traveling light  
I don't know how to do it  
Traveling small  
I can't see myself through it  
Going to place with you  
I know I will be alright  
I come to you  
Going at a hundred and twenty  
See cops, they stop and say  
Hey is there a place you gotta go?  
And we will collide  
And we will collide

Should I hold on or pass  
Will you let me crash  
Should I hold on or pass  
Will you let me crash  
Should I hold on or pass  
Will you let me crash  
Should I hold on or pass  
Will you let me crash

You are a citizen  
A resident, a resident in my heart  
You are a citizen  
A resident, a resident in my heart  
You are a citizen

A resident, a resident in my heart  
You are a citizen  
A resident, a resident in my heart

You are the one the one  
My only one the one  
You are the one the one  
My only one the one  
You are the one the one  
My only one the one  
You are the one the one  
My only one the one  
You are the one the one  
My only one the one  
You are the one the one  
My only one the one
