

Deeper

Lady Zamar

As the night falls into day
I hear the way you speak out loud my name
You make me a believer
You say your love is a keeper
Every moment that we spend
You whisper sweet nothings as you say
Those other loves were cheaper
You're giving me that deeper

Your love is deeper than my pain
I know that it is deep I can't explain
This love you give is deeper
The love we feel is deeper
Your love is deeper all the way
I know that all my hurt will melt away
This love you give is deeper
And how I feel is deeper

Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay
Deeper deeper
Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay
Deeper deeper
Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay
Deeper deeper
Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay

And when there is nothing left to say
No hurricane will keep my love away
Fall in love with you deeper
Our dreams will be much clearer
Tomorrow is a brighter day
I'll wake up in your warm your loves embrace
Fall in love with me deeper
Our love will grow much deeper

Hey ei ye ye he ey

Your love is deeper than my pain
I know that it is deep I can't explain
This love you give is deeper
The love we feel is deeper
Your love is deeper all the way
I know that all my hurt will melt away
This love you give is deeper
And how I feel is deeper

Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay

Deeper deeper
Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay
Deeper deeper
Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay
Deeper deeper
Yeh ei ye eh ey
Deeper deeper
Yeh yei ye he ay

Your love is deeper than my pain
I know that it is deep I can't explain
This love you give is deeper
The love we feel is deeper
Your love is deeper all the way
I know that all my hurt will melt away
This love you give is deeper
And how I feel is deeper
