

Black Plastic

Ladytron

Someone's coming round in the evening
One touch on the face of a city.
Boy/black plastic chair with some time to spare

Black plastic, touching black plastic

Someone's coming round in the evening
One touch on the face of a city.
Boy/black plastic chair with some time to spare

Black plastic, touching black plastic

One touch on the face of a city
Boy/black plastic chair with some time to
Drawing on face of a girl who's sleeping
Black plastic chair, reaching out, making one touch
