

# Destroy Everything You Touch

Ladytron

Destroy everything you touch today  
Destroy me this way  
Anything that may desert you  
So it cannot hurt you

You only have to look behind you  
At who's undermined you  
Destroy everything you touch today  
Destroy me this way

Everything you touch you don't feel  
Do not know what you steal  
Shakes your hand  
Takes your gun  
Walks you out of the sun

What you touch you don't feel  
Do not know what you steal  
Destroy everything you touch today  
Please destroy me this way

Destroy everything you touch today  
Destroy me this way  
Anything that may delay you  
Might just save you

You only have to look behind you  
At who's underlined you  
Destroy everything you touch today  
Destroy me this way

Everything you touch you don't feel  
Do not know what you steal  
Shakes your hand  
Takes your gun  
Walks you out of the sun

What you touch you don't feel  
Do not know what you steal  
Destroy everything you touch today  
Please destroy me this way

Everything you touch you don't feel  
Do not know what you steal  
Shakes your hand  
Takes your gun  
Walks you out of the sun

What you touch you don't feel  
Do not know what you steal  
Destroy everything you touch today  
Please destroy me this way

Everything you touch you don't feel  
Do not know what you steal  
Shakes your hand  
Takes your gun

Walks you out of the sun

What you touch you don't feel  
Do not know what you steal  
Destroy everything you touch today  
Please destroy me this way
