

## Send Me a Postcard

Ladytron

Before loneliness will break my heart,  
Send me a postcard darling.  
How can I make you understand?  
I wanna be your woman.  
Here, here I'm waiting for a little sign,  
Waiting 'til the end of time.  
Send me a postcard darling.  
Send me a postcard now.  
Send me a postcard darling.  
Send me a postcard now.  
I can't take the lonely night,  
I need someone I can turn to.  
Look out for the day I get a little sign,  
I want to know you're all mine, nowwww..now please don't let me  
down, aint no lover like me in town. Send me a postcard darlin  
g.  
Send me a poscard now.
