

Made of Broken Parts

Lagwagon

Broken down machinery
Someday soon they will mine for me
Obsolete, still heart beats
Empathy smacks of misery

Like a scab it will fall off but leaves its mark
I was made of broken parts
Sewn together with a broken heart

Dopamine, moment free, drip I.V., drain this memory
Life becomes too fragmented

Like a scab it will fall off but leaves its mark
I was made of broken parts
Sewn together with a broken heart

Task by task the day gets done
Methodical dysfunction
Assimilate and infect
We can't hang so we must hang
Can't hang on so we disconnect

Broken down machinery
Innate beauty
Almost one of them

Like a scab it will fall off but leaves its mark
I was made of broken parts
Sewn together with a broken...
