

Beautiful Day

Laid Back

When I woke up this morning
I said to myself
Should laugh or should I cry
It's a little bit strange building castles in the rain
So I made up my mind and said to myself

It's a beautiful, beautiful, beautiful day today
It's beautiful, beautiful day
Don't take it away

Funny little things
Can make my day
Funny little things
Can make my day

It's a beautiful, beautiful, beautiful day today
It's a beautiful, beautiful, beautiful day today
It's a beautiful, beautiful, beautiful day today
It's beautiful, beautiful day
Don't take it away
