

# Funky Dreamer

Laid Back

Funky dreamer, [?] believer  
Funky rock and roller

Keep on doing what you're doing to me  
Keep on doing what you're doing  
Keep on doing what you're doing to me  
Keep on doing what you're doing

Helicopters flying around in my brain  
Everybody's busy getting rich and famous  
Who really cares, how you feel  
The only thing that matters is whether you're for real

Take a deep breath, take a look around  
Can't you see, what's going down  
What's going down  
Yeah

Keep on doing what you're doing to me  
Keep on doing what you're doing, yeah  
Keep on doing what you're doing to me  
Keep on doing what you're doing  
Keep on doing what you're doing

Take a deep breath  
Take a look around  
Can't you see  
No one's safe and sound  
Yeah
