

Keep on Loving

Laid Back

What a wonderful world
This could be
If only
We could find the melody

What a wonderful world
What a wunderbar world
This could be

Keep on loving
Keep on dreaming
Keep on forgiving
That's the way
Yeah that's the way
Keep on loving
Keep on dreaming
Keep on believing
That's the way

What a wonderful world
What a wonderful world

Yeah
Bib bib

Keep on loving
Keep on dreaming
Keep on forgiving
That's the way

Keep on loving
Keep on dreaming
Keep on believing
That's the way
