

## Mr. Pusherman

Laid Back

Everybody needs a little bit pushing  
Sometimes just a little kick, keep on pushing

Mr. Pusherman, don't push me to far, no no  
Mr. Pusherman, don't push it to far

Everybody wants to be the star, be the one you are  
Everybody wants to be the star, be the one you are  
Be the one you are

If you want a piece of the cake, choose it  
No excuse being late loose it

Mr. Pusherman, don't push me to far, no no  
Mr. Pusherman, don't push it to far

Oh oho, now push it  
Oh oho, now push it

Everybody wants to be the star, be the one you are  
Everybody wants to be the star, be the one you are

Oh oho, now push it  
Oh oho, now push it

Everybody wants to be the star, be the one you are  
Everybody wants to be the star, be the one you are

Talking, talking, too much talking
