

## Next Life

Laid Back

Where do we go  
Where do we go from here  
Where do we go  
When we disappear

Are we going to heaven  
Are we going to hell  
Where do we go

See you in the next life  
See you on a sunny day  
See you in the next life  
See you on a sunny day

Where do we go  
Where do we go from here  
Where do we go  
When we disappear

Are we going to heaven  
Are we going to hell  
Where do we go

See you in the next life  
See you on a sunny day  
See you in the next life  
See you on a sunny day
