

# Number One

Laid Back

You're my number one  
On top of the charts  
You're my number one  
Number one

You know that love is in my heart  
Love is like the sun  
You know that love is in my heart  
Love is like the sun  
Love is like the sun  
Love is like the sun  
Oh yeah

You're my number one  
On top of the charts  
You're my number one  
Number one

Love is here  
Love is there  
Love is everywhere

You know that love is in my heart  
Love is like the sun  
You know that love is in my heart  
Love is like the sun  
Love is like the sun
