

# One Life

Laid Back

Maybe you're right I'm crazy  
Ain't got time for sitting holding hands  
Sorry baby to disappoint you  
I got to keep moving on

I always said I'll never leave you  
Don't blame me you changed my mind  
For sure we had a good time together  
But nothing lasts forever  
Cause I only got

One life  
That's for sure  
One life  
Don't let it slip away

My mamma said, you're a bohemian  
Get a steady job and settle down  
No way mamma, it's too late  
I got to keep moving on  
Cause I only got

One life  
That's for sure  
One life  
Don't let it slip away

No way mamma, it's too lat  
I got to keep moving on  
No way mamma, it's too late  
I got to keep moving on  
No way mamma, it's too late  
I got to keep moving on  
No way mamma, it's too late  
I got to keep moving on  
Cause I only got

One life  
Don't let it slip away  
One life  
Don't let it slip away
