

## Flyer Than U

Laila!

Don't I deserve better?  
I shouldn't have to deal with that  
You ain't a child no more  
Shouldn't I get the better half?  
Why you gotta be so bad?  
Don't see me smile no more  
Oh, it's like that? (It's like that)  
Lemme walk away 'cause I'm too cute to fight back  
Am I just too beautiful to love?

'Cause maybe I'm broken from all that you've done  
And maybe I'm perfect, in more ways than one  
And maybe I need you, and that makes me dumb (That makes me dumb)  
But I'll always, always, always, always be flyer than you

I can't change nobody  
I choose love, everybody  
I can't change nobody  
But I'll always, always, always, always be flyer than you

So will, I will
