

## Pipe

Lainey Wilson

Wanna know the truth? Well, I wrote it down  
I got a PhD in thinkin' out loud  
No book to buy, it's more like a list  
It ain't long, kinda goes like this

Tell it like it is, don't sugarcoat it  
Take it to the bank so you can't blow it  
Use a little duct tape if you done broke it  
When it don't start, you might have to choke it  
If it gets too tall, you can just mow it  
Ain't tall enough, sit back and grow it  
And if you gotta drawl, you best just own it  
So put a little "y'all" in your pipe and smoke it

Can't find a barstool, just find a porch  
Hell, whiskey's cheaper at the liquor store  
When life gets you down, go buy a dog  
And in the end, you'll be better off

If you tell it like it is, don't sugarcoat it  
Take it to the bank so you can't blow it  
Use a little duct tape if you done broke it  
When it don't start, you might have to choke it  
If it gets too tall, you can just mow it  
Ain't tall enough, sit back and grow it  
And if you gotta drawl, you best just own it  
So put a little "y'all" in your pipe and smoke it

(Whoo, whoo)

Yeah, hit that for me one more time

(Whoo, whoo)

And if it gets too tall, you can just mow it  
Ain't tall enough, sit back and grow it  
And if you gotta drawl, you best just own it  
So put a little "y'all" in your pipe and smoke it

Smoke it

Smoke it

Smoke it
