

# Whirlwind

Lainey Wilson

I was a lone wolf  
Had my own back  
Climbin' that mountain  
Only voice howlin' was my own pack

I was a Lone Star  
Shootin' for the moon  
But I finally found a rebel  
Who's on the same level  
When I found you

We're a whirlwind  
Cuttin' through a Texas town  
Yeah, this funnel wouldn't be near as fun  
Without you spinnin' 'round  
Yeah, we're always on the move at a daredevil's speed  
Runnin' with the buzzards and the tumbleweeds  
We're a whirlwind  
But baby, lovin' you's a breeze

Yeah, it's a long road  
It's a rat race  
But ya keep my head cool  
Ya keep my heart full  
On a half tank

I was one set of tracks, a million miles an hour  
But two palominos is more horsepower

We're a whirlwind  
Cuttin' through a Texas town  
Yeah, this funnel wouldn't be near as fun  
Without you spinnin' 'round  
Yeah, we're always on the move at a daredevil's speed  
Runnin' with the buzzards and the tumbleweeds  
We're a whirlwind  
But baby, lovin' you's a breeze  
Lovin' you's a breeze

We're a whirlwind  
Cuttin' through a Texas town  
Yeah, this funnel wouldn't be near as fun  
Without you spinnin' 'round and around and around  
Yeah, we're always on the move at a daredevil's speed  
Runnin' with the buzzards and the tumbleweeds  
We're a whirlwind  
But baby, lovin' you's a breeze

Lovin' you's a breeze  
Lovin' you's a breeze  
Lovin' you's a breeze  
Lovin' you's a breeze
