

Be My Lady

Lakeside

Hey love
Don't let me go on dreaming that you are in my life right now
Because there's just no getting dreaming
If you can't make it back somehow my baby
Hey little girl

You got what I've been needing
For such a long time
I won't be happy
Till the day that you are mine

So come (Come on)
Come on and be my lady (Be my lady)
'Cause you're just my style (Be my lady)
You're the kind of woman that I walk a mile for
For you it's not a mighty long way if you're going to be there baby
Said you'll be right (Say you'll be right there)
I'll be right there

Hey girl
My life would be complete
If I had someone sweet like you
Just like you (Just like you)
And candy if you should ever need (If you should need me)
I would shine a light for you hey baby

So you can see where my love is
Every day every night
I can make you happy if my love you wouldn't fight

So come (Come on)
Come on
Why don't you be my be my (Be my lady)
'Cause you're just my style girl (Be my lady)
You're the kind of woman that I walk a mile for
For you it's not a mighty long way if you're going to be there baby
Won't you come on girl (Won't you come on girl)
Won't you come on girl (Come on and)
Won't you be my lady (Be my lady)
'Cause you're just my style girl (Be my lady)
You're the kind of woman that I walk a mile for
Oh for you it's not a mighty long way if you're going to be there, oou...
Say you'll be right there
Say you'll be right there (I'll be right there)
Just for you (just for you)
Ohh...

Be my be my be my
Be my be (Be my lady)
Let's make the start
Why don't you
Be my be my be my
Be my (Be my lady)
If you can find it in your heart
Why don't you
Why don't you
Be my lady
