

Hold On Tight

Lakeside

Oh, oh, oh, hold on tight, don't let go
Oh, oh, oh, hold on tight, don't let go

Hey girl, don't you know that we can be who we wanna be
What my love has instore for you, is yet to be seen
If you throw in the obstacle that are in your way
We can walk in the sunshine day after day

There's no guarantee things will turn out fine
If you wanna get the best of my love

Oh, oh, oh, hold on tight, don't let go
Oh, oh, oh, hold on tight, don't let go

Don't you know there's no mountain we can't climb
All we really have to do is stand the test of time
We don't have to abandon ship just because we lose our grip
And find ourselves walking along the thin line

Only you and I can bring our problems to the light
If you wanna get the best of my love

Oh, oh, oh, hold on tight, don't let go
Oh, oh, oh, hold on tight, don't let go
Don't let go, don't let go, don't let go

I want you to
Oh, oh, oh, hold on tight, don't let go
Oh, oh, oh, hold on tight, don't let go

Hold on, hold on
There's no mountain we can't climb
Hold on, hold on
If you want the best of my love

Oh, oh, oh, hold on tight, don't let go
Oh, oh, oh, hold on tight, don't let go
Oh, oh, oh, hold on tight, don't let go
Oh, oh, oh, hold on tight
