

I Need You

Lakeside

I need you... yeah
(I need your comforting arms) mmm
To hold me (hold me)
To guide me (guide me)
When I can't, can't go on

I need you, yes, I do
(I need your comforting arms) yeah
Just to hold me (hold me)
To guide me (guide me)
When I can't can't go on

I need you
When I come home late at night
From a hard days work
I need your comforting love
And I want you
Right there by my side, by my side
To give me strength (baby)
When I'm down, down and out

And when I see you
Standing there with your pretty smile, girl
It gives me inspiration, motivation to carry on (ummm)
Don't you know

I need you (yes, I do, baby)
I need your comforting arms
Yeah, just to hold me (hold me)
To guide me (guide me)
When I can't, can't go on

I love you, like I never loved before
And I know it's true love, baby
Cause I love you more and more
You please me, make me so happen each day
You're more than a woman (just my girl)
An each and every way

I'm so glad I found you
You're the girl of my dreams
And I can't say no for you I'll do anything
You're the girl for me
Just like a precious pearl, a precious pearl
And I love you, baby
I gotta tell the whole, the whole wide world

Girl, when I kiss your tender lips, girl
I realize your so special
And I can't say no, I can't say no
To someone so dear, someone so dear

Now even if you ask me too
I'm the only one that knows how much I need you
I need your comforting arms
To hold me (hold me)
To guide me (guide me)

When I can't go on... hey hey

I need, I need, I need, I need

Early in the morning

Late in the midnight hour

Girl, I need you baby, I need you (hey)

Oh baby

I need, I need, I need, I need

Girl, girl, when I needed a friend (hey) you were always there

To guide me

In the morning, baby... (hey baby)
