

# I'll Be Standing By

Lakeside

I'll be standing by you  
I'll be standing by you  
Yes, I will, girl

Baby, I love you so  
For us to part will hurt me more  
You gave true meaning to my life, oh baby  
Before you walk away  
Remember me as the one who'll be there  
Hoping and praying  
Waiting patiently, oh girl

I'll be standing by you  
I'll be standing by you  
Yes, I will, girl

Yeah, I'm gonna be right there standing by  
Oh, baby oh, yes, I will cause  
Baby, you gave me more  
Than I could ever repay you for  
You, you stood by me  
In my time of need, oh baby  
Maybe one day  
We'll find someone to love  
Like we once did one another  
I'm hoping to help you  
If you ever need, oh girl

I'll be standing by you  
I'll be standing by you

Hey, girl, I'm gonna be right there  
Anytime, anytime  
Anywhere that you want me, baby  
I'll always be there  
Ooh, you know I will  
You know I will  
I'm gonna be right there, yeah, yeah  
I'll always be there, baby

Maybe one day  
We'll find someone to love  
I'm hoping and praying  
Waiting patiently, oh baby

I'll be standing by you  
I'll be standing by you

Girl, I'm gonna be right there  
Even though you don't want me now  
You never know  
When you might need a friend, baby  
Someone to talk to  
Someone to understand you  
Someone to love you, baby  
I know the feeling most  
Cause when I needed you, baby

You were right there  
Even though you don't want me anymore  
I love you  
I love you  
Baby, baby, baby, baby  
Hey, hey, girl  
I love you  
You can rely on me...
