

So Let's Love

Lakeside

Girl, since I've known ya
And been around ya
My feet won't touch the ground
I never told ya
I want to hold ya
Cause you might turn me down
(You might turn me down)

But you see I
I made up my mind
The next time you're crying
I would tell ya
Just how I feel about ya
Though it may seem wrong
We've been friends for so long
Darling, I can't help it
Baby, let's love

So let's love
You have no-one
I have no-one
Baby, let's love
So let's love
Shine bright as the sun
Together as one
Baby, let's love
So let's, let's love
Cause you see
I can't be just a friends much longer
So let's love, let's love
Cause this feeling is my heart's getting stronger for you
This feeling's getting stronger for you
(This feeling's getting stronger for you)
So let's love
So let's love
This feeling's getting stronger for you

I see men come in your life
I watch you love them
I watch them break you heart
(I watch them break your heart)
But if you only knew
Girl, is my world
Hey, you could be a star
(You could be a shining star, baby)

I have to wait around
Till they let you down
Just to show you
How I feel about it
If I'm out of line
Girl, I'm just trying
To show you just what I'm feeling
Let's love

So let's love
Girl, you have no-one

I have no-one
Baby, let's love
So let's love
Shine bright as the sun
Together as one
Baby, let's love
So let's, let's love
I can't be just a friend any longer
So let's love
Cause this feeling is my heart's getting stronger for you
(This feeling's getting stronger for you)

Since I've known you
I long to hold you
Just to tell you
Girl, I love you, baby
I know what you're thinking
I'm in love
And you know that, baby
So let's love
