Your Wish Is My Command

Lakeside

Your wish is my command!

(Your wish is my command)
(If it's true love that you want)
(Alakazam)

I'm here to please ya
Can never do enough
(Can never do enough for you baby)
To truly experience the magic of love
(And baby, I'm the man to see)
I'm the man to see
You just tell me
Say it honey
(Tell me what's wrong, what you wanna feel)
Say the magic words for me
(Say you love me, say you love me)
And let me do my thing for you

There's no limit
There's more than just three
(Ooh, wishes, baby)
Ask it of me
('Cause I'm here to give for as long as you live)

(Your wish is my command)
Your wish is my command
(If it's true love that you want)
Say it baby
(Alakazam)

Don't be surprised at what you might see
(Or, what I might do for you baby)
I'm the genie to make your dreams a reality
And more than just a fantasy
(And more than just a fantasy)
(You just)
Just call me, call me girl
(And the say the words that I wanna hear)
Say the magic words for me
(Say you love me, say you love me)
And let me do my thing for you

If you don't believe all the things I can do
(Please, make a wish a girl)
And watch it come true
('Cause I'm here to give all my loving to you)

(Your wish is my command)
Your wish is my command
(If it's true love that you want)
I can never do enough
(Alakazam)
To prove I love you baby
(Your wish is my command)
Your wish is my command
(If it's true love that you want)

Anything your heart desires
(Alakazam)
You know I'm the man to see
