

Dying Breed

Lakeview

You say out with the old and in with the new
It used to be cool to get dirt on your boots
And bust your back just to save up enough
To buy that rust-covered truck

Now it's paying your rent using daddy's card
You rock a Carhartt like you work so hard
Guess I'm old-school, a stubborn old fool just stuck in a rut
Still tryna get back to the way it was

Them boys like me are getting hard to find
It seems to me it happened overnight
Outlaw, outcast on the outside
They're from the tougher times, someone they left behind
It's true they don't make 'em like they used to
Bet you wouldn't last a day in my boots
Damn shame it ain't how it used to be
But it's a fact, I'm the last of a dying breed
(The last of a dying breed)

No it ain't too long till I go extinct
And the only thing left is a fossil of me
I'm flipping a bird with a beer on the gate
Of my truck, with nobody left here to dig it up

Them boys like me are getting hard to find
It seems to me it happened overnight
Outlaw, outcast on the outside
They're from the tougher times, someone they left behind
It's true they don't make 'em like they used to
Bet you wouldn't last a day in my boots
Damn shame it ain't how it used to be
But it's a fact, I'm the last of a dying breed

Oh yeah, I'm the last of a dying breed
(Oh yeah, last of a dying breed)

Yeah I'm old school
Just tryna get back to the way it was

Them boys like me are getting hard to find
It seems to me it happened overnight
Outlaw, outcast on the outside
They're from the tougher times, someone they left behind
It's true they don't make 'em like they used to
Bet you wouldn't last a day in my boots
Damn shame it ain't how it used to be
But it's a fact, I'm the last of a dying breed

(I'm the last of a dying breed)
