

# I Don't Call

Lakeview

Got home, kicked off my boots  
I'm getting déjà vu  
Hanging up the keys  
Wonder if I look like you  
You had it all planned out  
Three kids and a house by now  
All I got is your old six string  
Overdraft fees and songs nobody

Will sing  
Man if that telephone rings  
Don't wanna pick up and hear you say  
Son how are you doing today?

I don't call as much as I used to  
Damn if you only knew  
Can't bear the thought of hearing you walk  
In the other room so mama can hear you  
Damn I'm scared to show you how far  
I have fallen apart  
Rather let you be so you could be  
Proud of me from afar

So I don't call  
As much as I used to  
No I don't call  
As much as I used to

I'm afraid  
You'll say it's time to move on  
Pack up my things and come home  
Yeah those teenage dreams  
Never shoulda left those twin-size Spiderman sheets  
So if that telephone rings  
Don't wanna pick up and have to say  
I ain't gonna make it to Thanksgiving today

I don't call as much as I used to  
Damn if you only knew  
Can't bear the thought of hearing you walk  
In the other room so mama can hear you  
Damn I'm scared to show you how far  
I have fallen apart  
Rather let you be so you could be  
Proud of me from afar

So I don't call  
As much as I used to  
No I don't call  
As much as I used to

Damn I wanna make you proud  
Before I lose you  
But I can't seem to figure out how

So I don't call as much as I used to  
Damn if you only knew

Can't bear the thought of hearing you walk  
In the other room so mama can hear you  
Damn I'm scared to show you how far  
I have fallen apart  
Rather let you be so you could be  
Proud of me from afar

So I don't call as much as I used to  
I don't call as much as you want me to

Got home, kicked off my boots  
I'm getting déjà vu  
Hanging up the keys  
Wonder if I look like you
