

# Waterfalls

Lakeview

Come on!

So if this ended today  
Could you look at me the same  
Because tomorrow I forgot your name

Always tried to forget you were alive  
And I'm sure you'd do the same for me  
And I think it's time that we make  
This happen, it's time to say goodbye

Open up your eyes, you were a waste of time  
You were a waste

You would carry me  
And I needed to breath  
Your so not worth it  
Your heart was in too deep  
You need to reach for the surface

But she'll never listen. No!

So here we are again  
We'll try to make this last  
You said you'll take me, I never will  
And I'll never take you back  
I'm rebuilding what  
You've done to our lives  
So hold your breath to try to  
Save your worthless life

And I think it's time  
That we make this happen  
It's time to say goodbye  
Open up your eyes  
You were a waste of time  
You were a waste

You would carry me  
And I needed to breath  
Your so not worth it  
Your heart was in too deep  
You need to reach for the surface

Woo.

This is where you drown.
