

Small Of My Back

Lalah Hathaway

Everyone's looking so good
I hope that you come and ask me to dance
Shake my body down tonight
But I'm so nervous when you're around
How can you help it come down
When you put your hand on the small of my back ohhh aahh
I just wanna groove with you
When you put your hands on the small of my back mm
I just wanna groove with you
Takin our time so motion
Everybody's lookin
Let's make the dj play our favourite song again
Boy I love it when you spent it around
You make my love come down
When you put your hand on the small of my back
I just wanna groove with you
When you put your hand on the small of my back
I just wanna groove with you
When you put your hand on the small of my back
I just wanna groove with you
When you put your hand on the small of my back
I just wanna groove with you
So let's dance, dance
Boy don't rush, take your time
Cause you're blowin my mind
So let's dance, dance yeah
Can't believe I'm with you

I love what you do, yeah
So let's dance, dance
Hope this night will never end
I love it when you spent it around
