

Vantablack

Lalah Hathaway

I wanna be in my skin
Just whatever I am
I wanna feel good again
I wonder when, I wonder when
Can I be in the moment?
Always projecting forward
Astral and I can't come down
Giving into the sound

They say, "Be here right now"
Not sure if I know how

I wanna give it up
Trying to make the skin I'm in a sin
Take it all back and start again
Melanin rising, don't be mad
I want everything Vantablack
I want it all, give it up
Want it all back
Want everything Vantablack
I want it all, give it up
Want it all back
Want everything Vantablack

No more apologies as far as I can see
This is the I am of me
I am a sister's daughter
I am a brother's keeper
I am everything

They say, "Be here right now"
Not sure if I know how

I wanna give it up (Hey, yeah)
Trying to make the skin I'm in a sin
Take it all back and start again (Again)
Melanin rising, don't be mad
I want everything Vantablack
I want it all, give it up (Give it up)
Want it all back (Yeah, yeah)
Want everything Vantablack
I want it all, give it up
Want it all back
Want everything Vantablack
