Laleh

You say it's not supposed to be  
Tell me not to waste my time  
And this was never up to me  
But if it was I wouldn't mind  
And I'm trying to ignore you  
Try to go on with my day, yeah  
But I still pick up the phone, yeah  
And get lost in what you say  
What did you say?  
I could try to stop it  
All I la-la, la-la-la like  
(Hands down) I've lost this fight  
Thought I was strong enough for you, you, you, you  
But I just can't hide the truth  
Guess I'm going down (I'm going down)  
Guess I'm going down (I'm going down)  
Guess I'm going down like this  
Like this  
And I love it how you're honest  
You don't find that nowadays  
You're not even drop dead gorgeous  
But you kill me anyway  
I, I, I, I  
I could try to stop it  
All I la-la, la-la-la like  
(Hands down) I've lost this fight  
Thought I was strong enough for you, you, you, you  
But I just can't hide the truth  
Guess I'm going down (you're going down)  
I guess I'm going down (you're going down)  
Guess I'm going down like this
