

## Stone Cold

Laleh

Stone cold, stone cold  
You see me standing, but I'm dying on the floor  
Stone cold, stone cold  
Maybe if I don't cry, I won't feel anymore

Stone cold, baby  
God knows I try to feel happy for you  
Know that I am, even if I can't understand  
I'll take the pain, give me the truth  
Me and my heart we'll make it through  
If happy is her, I'm happy for you

Stone cold, stone cold  
You're dancing with her, while I'm staring at my phone  
Stone cold, stone cold  
I was your amber, but now she's your shade of gold

Stone cold, stone cold  
God knows I try to feel happy for you  
Know that I am, even if I don't understand  
I'll take the pain, give me the truth  
(Me and my heart) We'll make it through  
If happy is her, I'm happy for you

Stone cold, stone cold  
I'm happy for you  
Know that I am, even if I don't understand  
I'll take the pain, give me the truth  
Me and my heart we'll make it through  
If, if  
If happy is her, I'm happy for you  
Stone cold, stone cold  
(Stone cold, stone)  
I wish I could mend this but here's my goodbye
